

Regatta

Sunday

July 6th

First race at 1100

There will be no less than six short races — no more than 30 minutes each. They will be run as three pairs of races, with the second of each pair run back-to-back. The second race of the pair starts as soon as the first race finishes.

The races will be scored as the best four out of the six.

As far as possible the startline will be close inshore and the races will be laid out to be visible from the Commodore's lawn.

Prizes include:

- The Godber Trophy, awarded to an all Junior crew
- Mixed (junior helm, adult crew)
- Adult
- Lady
- Novice
- Endeavor
- 'Billy No Mates' (adult single hander)
- Six of the best (scored on **all** six races)
- Duckhams (after the Godber Trophy the most prestigious and sought after prize)

Since the Family Fun Day and the Commodore's BBQ take place on the Saturday before the Regatta, we will find some way of rewarding those who participate in sailing on both days.

Open to all members of Banbury Sailing Club
